1ST TEAM OF THE YEAR

SPORTS CODE OF THE YEAR

We kicked off this season with the inter-school competitions. Westville Boys' High School was very well represented. We had great successes at various schools. We are proud to announce that at Kingsway interschool, Jaryd Coetzee broke the long jump record which was set in 2009 (5.58m) with a new distance of 5.63m. 15 schools competed and we were placed second overall on the day. We also competed at the KZN League Meetings, which we used as preparation for the KZN Schools Championship.

With WBHS continued success on the track we were again invited to participate at the prestigious Tuks Top Ten in Pretoria. This competition was attended by schools from all over South Africa and Namibia. We were far more experienced than in previous years and our athletes elevated their attitudes and it reflected in their performances. Top performers at TUKS were as follows: Daniel Ellis bronze (3000m) and Elijah Watt silver (2000m steeplechase) Once again we were invited to compete at the Puma School of Speed Competition. Our athletes were a force to be reckoned with, collecting 8 medals.

20 of our boys were selected for the PADSA Team to compete at the KZN Schools and Club Championship at Kings Park. A few boys also competed at the KZN Club Championships.

We collected ten medals at the KZN School Championship. Most of our Athletes improved on their personal bests at this event. Kevin van der Berg and Testimony Dodo got gold in javelin, Jaryd Coetzee got bronze in javelin, Josh Janse Van Rensburg got silver for triple jump, Leon Saayman got silver in high jump and bronze in triple jump, Bryce Stockton got gold in discus, Daniel Kriek got silver in the 400m hurdles and silver in javelin, and lastly Barnard Nortje got bronze in shot put.

2 of our athletes were selected for the KZN school's athletics team. Namely, Josh Janse Van Rensburg u/15(Triple jump) and Testimony Dodo u19 (javelin).

SALGA once again invited boys from our school to compete. Robert Everson and Tiaan Kriek were the boys to go and their placings were as follows- Tiaan collected gold in Javelin and Robert placed 4th in discus and shotput.

We continued with our consistent performances and achievements in our KZN Sub Youth category with Josh Janse Van Rensburg, Leon Saayman and Jaryd Coetzee achieving the KZN standard inter – provincial criteria and standing out on the day. Josh Janse Van Rensburg collected 3 medals and Jaryd Coetzee 1. This put both of them in line to go to SA's in Sasolburg later this year.

By the end of the season, we had won 13 championship medals for the year and had 2 of our boys selected as KZN representatives. Our overall achievements ranked us as one of the top Athletics school in KwaZulu-Natal.

Athletes standing out this year in various performances:

Under 15D

Daniel Ellis(800m,1500m,3000m), Bryce Stockton (discus,shotput),Jaryd Coetzee Long jump) Elijah Watt (steeple chase2000m, 1500m) Nicholas Adler (100m, 200m) Leon Saayman (high jump), Josh Janse van Rensburg (Long Jump, triple jump,100m,200m),

Under 17 Robert Everson (shot put, discus) Kwanele Ntshangase (long Jump, triple, 400m), Barnard Nortje (shot put, discus).Mbasa Nkonki (100m, 200m) Londani Mpungose (100m, long jump) Testimony Dodo (Javelin)

Under 19 Kyle Denyssen (Long Jump) James Mayer (800m, 1500m)

We would like to thank management, staff and parents for their continuous support throughout the year. A special thanks to all the coaches for their dedication and hard work. To our matrics, all the best in your future endeavours. Remember you are the only one who can make the difference. Whatever your dream is go for it!

Congratulations to all the athletes who competed this season, even if you were not one of the top performers, you were still part of the athletics squad and without you we could not have made as big an impact as we did.

Pool Games

Vs. Jim Fouche A 0-5 Loss Vs. Fichardtspark 3-2 Win Vs. Jim Fouche C 5-0 Win Vs. Alberton B 5-0 Win

Semi Finals

Vs. Diamandveld 2-3 Loss

Overall a good tournament for the boys and a great building block for next year’s tournament. They showed great determination in the face of adversity and played hard in every match. Their first match was not the easiest, facing off against one of the most difficult teams in the tournament. The other pool games, the boys showed great resolve and won their other matches. WBHS placed 2nd overall in the pool and proceeded on to the semi-finals against a strong opponent, Diamandveld. Unfortunately WBHS were beaten in a hard match but the boys again showed great resolve to ascertain such a good result.

The boys learnt a lot from this tournament and will use what they have learnt to the best of their abilities for next year’s SA High Schools Tournament.

Troy Steyn SA Schools Manager 2019 Demi Botha WBHS MIC and Head Coach of Badminton

This year's basketball season was a fairly successful one for the school with some promising results in both the domestic fixtures and tournaments that we attended. This was all made possible by the passion and dedication of the entire coaching staff. We are fortunate that we have many old boys in the system and this allows for greater success in a shorter period of time. With the enthusiasm and coaching abilities of the whole coaching staff we were able to achieve fairly good results throughout both seasons.

The school now boasts 19 Basketball Teams and few local schools match us down the line with regards to fixtures. An internal development league on a Friday accommodates boys who are unable to make representative teams and greater plans lie ahead for further development and enhancement in 2020.

Westville Boys' High launched and hosted its first u14 Basketball Festival this year. It was well supported with 8 KZN Schools getting involved. We hope to make the Festival bigger and better in 2020 along with plans of a Stayers and u15 Basketball Tournament.

On the domestic front, the 1st Team had a fair season, winning 4 and losing 4. The standard of basketball and coaching in KZN has increased drastically in the last two years and many schools are starting to take their basketball seriously. Westville will need to work even harder to maintain standards that have been set in the past. In 2017, the 1st Team were ranked 4th in the Country and the boys worked hard to create a legacy of their own in 2019. The yearly tour to Johannesburg saw the 1st Team get knocked out of the Quarter-Finals in overtime against the American International School of Johannesburg (eventual finalists). These results combined with the domestic season saw Westville ranked 9th in SA. There is also an exciting group of youngsters coming through who should blossom next year. They have already made their mark in the Stayers Team and the future looks bright.

The u16A Team struggled to get fluidity this year. Domestically they won 3 and lost 4 of their games. A few of these boys have progressed to the Stayers Team and are seemingly finding their rhythm playing with some of the older boys. The u15A Team are definitely the team to watch out for in the future. This team did well at the Michaelhouse u16 Tournament and playing them in higher age-group competitions has benefited them greatly. Domestically they won 5 and narrowly lost 2 of their games. This team is highly motivated and is currently unbeaten in the 2nd season of 2019. The u14A Team is made up of some really talented young men. These boys won 5 and lost just two of their domestic fixtures this year. At the recent St. Andrew's Basketball Festival, they lost all but one of their 7 fixtures. Our junior teams are competing at exceptional levels and these boys will take Westville Basketball to new heights.

Rohaan McLean and Kgoptso Matlena both made the KZN u18 Basketball Team. Jedin Lee, Senzo Zondi and Preston Leigh all made the KZN u15 Basketball Team.

The 2019 season got off to a brisk start with our u14 cricket trials being held at school on the 12th January which was very successful in the outcome as well as introducing the new boys to the schools sport and cricketing culture. The 1st XI cricket team travelled to Paarl to attend the Cape Cricket 1st XI festival over the same period as the trials. The 1st Team won 2 out of 4 games at this festival beating Potch Volkskool & Northcliff High, losing to Garsfontein while drawing with SACS in an amazing game of time cricket.

Westville cricket proved once again that our quality depth of players within age groups allowed us to have great results throughout the year from all our teams.

Cricket Tours 2019

Our cricket teams participated in the following cricket weeks/tours in 2019.

1st Team attended the Cape Cricket Festival hosted by Paarl Boys High

1st Team attended the 2nd Noord Suid T20 Tournament held in Pretoria

1st Team attended Michaelmas Week at Maritzburg College

u17A attended the Shedders u17 Festival at WBHS

u14A attended the Hilton u14A Festival

1st XI

The 1st cricket team was coached by Fabian Lazarus, Thomas Jackson & Mornatau Hayward consulting the fast bowlers as our specialist. We had a good year in 2019 with the team being captained by Gareth Beavan while still achieving a batting average of 43 across all 3 formats we played in 2019 from 23 games. The 1st team were crowned KZN Coastal T20 Champs this year after Beating Glenwood in the final. We narrowly lost out to St Charles in the School Coca-Cola T20 Dolphins Final to represent the province at the national tournament.

Outstanding Highlights:

We had 100% win ratio vs. DHS as a school.

1st Team had many great victories in 2019 in various formats, beating Kearsney by 118 runs, beating Affies by 2 wickets, beating Glenwood twice by 6 wickets in the Schools Coca-Cola T20 Coastal Final & by 114 runs in a 50 over, Beating DHS by 9 wickets in the School Coca-Cola T20 Coastal Semi-Final. The U15A team had clinical wins over DHS, Glenwood, Kearsney & Clifton in a short season for them due to rained out matches. The U14A showed great character to pull off some awesome wins this year beating DHS, Northwood twice, St John's, Maritzburg College and an outstanding draw against St Stithians. Jared Oosthuizen 102* vs. Potch Volkskool 1st, Gareth Beavan 112* vs. Kearsney College 1st, Daniel Trevethan 89 vs. Garsfontein, Seth Rajakumar 4 for 9 vs. Thomas More 1st. Aryan Gopalan 105, 72 & 78* vs. Kearsney 15A, Northwood 15A & Clifton 15A respectively, Tristan Naicker 105* vs. Northwood 15A Blake Simpson 5/20 vs. Maritzburg College 14A, Blake Simpson 123* vs. St Stithians 14A, Luke Maxwell 5/29 vs. Wynberg 14A, Blake Simpson 74* vs. Northwood 14A De Bruyn 5/26 vs. Northwood 15D, Pather 4/3 vs. Northwood 16B, Davies 4/47 vs. Maritzburg College 2nd, Dent 4/7 vs. Maritzburg College 14B, Coetzee 101* vs. St Charles 4th

We had a great year in 2019 having 8 provincial cricketers and 2 Staff member in the 3 KZN representative teams in 2019 (See KZN Reps on page 23). STAFF: U19 -Fabian Lazarus – CSA, Dolphins Scout U17 Thomas Jackson Manager

Sponsorship

Gunn and Moore were our official brand sponsors for 2019. They have sponsored our 1st team with branded GM kit as well as match balls for the season. Thank you to Stan Holmes and Brad Vilas from GM for their generosity. We would also like to thank the various parents who helped with different tours and sponsorship.

Thank You The following people deserve a huge thank you as they have contributed to a very successful season:

Thomas Jackson – MIC, Rogan Comins – First aid/ Scoreboard operators, All the AGC's and coaches, Waylon Murray – DOS, All the players and scorers, Myles Usher – Conditioning, Barbara Wies – Post match, The moms that help at teas and lunches, Mickey Rooplall and the ground staff , Andrew MacKenzie and the Tuckshop, Nanti Hayward & Fabian Lazarus and for their passion and hard work on our cricket pitches and with our players

The success of this year's cross-country season can be attributed to passion and focus, one shared by both the coaching staff and the athletes of WBHS cross-country. Cross-country has been growing consistently in previous years, with this year's teams fielding a comfortable 55 boys.

Cross-country at WBHS has been dominant on the inter-school scene for several years now, and this year we continued our dominant streak. Both our seniors and juniors won the inter-school league for the fourth year in a row, achieving first place among the schools for every race.

WBHS also continued its rivalry with Jeppe Boys' High, competing against them in a race held during the Jeppe tour of WBHS. The juniors took the lead with both hands, while the seniors were unfortunately edged out by a strong Jeppe cross-country squad.

Results

Senior Age Group:

Won 6 of 7 races

The following athletes achieved seasonal top 20 positions: Ross Dickinson; Luke Matthews; Ryan Minnie; Rudy Bellengere; Caleb Daley; James Mayer; Liam Ferraz; James Butler; Michael Bromfield; Ranked first in the inter-school's league.

Junior Age Group:

Won 7 of 7 races

The following athletes achieved seasonal top 20 positions: Daniel Ellis; Joshua Simpkins; Luke Ellis; Calvin Brigg; Ethan Campbell; Drew Dorfling; Muhammed Ally; Keenan McLeod; Hamza Mahomed; Ranked first in the inter-school's league.

Selections:

Even with a conflicting Affies sports tour, and various illness, which saw us competing without eight top-performance athletes, WBHS still dominated the circuit trials, achieving thirteen of the possible thirty-two positions. Two athletes, Ross Dickinson and Joshua Simpkins, went on to compete at KZN trials, and both achieved top-twenty positions.

We would like to congratulate all involved in the achievement of a successful sporting term. Additionally, we would like to thank all parental support and involvement, as due to the spread of races around, their support is vital. We are looking forward to taking WBHS cross-country forward in the 2020 season, as we strive to better results, as well as chase personal goals and times.

Coaches:

Marlize Hayward
Janet Ellis

An exciting, compact, successful and demanding season of football was enjoyed in 2019. The season saw Westville offering 28 Football Teams with the open age-group fielding an impressive 10th Team against Kearsney College.

This was all made possible by the leadership and dedication of the 1st Team Coaches (Ryan Liberty / Bradley Wood) and respective A Team Coaches (Njabulo Zulu / Reagan Stuart / Keith Evans, Nikoalas Karydas / Clive Barker, Preston Jollands / Kingsley Jollands). With the enthusiasm and coaching abilities of the coaching staff, we were able to achieve great results and maintain high standards throughout the season.

The 1st Team Coaching Staff have been fortunate in the sense that they have been working with the squad since February this year. They have also had the opportunity to draw from a large pool of players and have been able to implement the style of football as well as the culture that Westville Football has been lacking.

The 1st Team have participated in the North vs South Competition hosted by Wynberg Boys' High (1 Win, 4 Draws, 3 Losses); the Term 2 League (3 Wins, 3 Draws, 2 Losses); the Kloof Tournament (1 Win, 2 Draws, 3 Losses); the Age-Group Tournament (3 Wins, 1 Draw, 1 Loss); the Primo Cup (1 Win, 2 Draws, 2 Losses); the Cowie Cup (2 Wins, 1 Loss); and the Durban Cup (1 Win, 1 Draw, 1 Loss). A Domestic Season of 4 Wins, 2 Draws and 2 Losses bring the tally to 43 Games being played this year alone.

The Team did exceptionally well at the Grey-Bloem Football Tournament by reaching the Quarter-Finals before they got knocked out by Navalsig High. The team eventually finished 8th out of 24 schools. The results for Grey included 3 Wins, 4 Losses and 1 Draw.

We were blessed yet again with a talented u14 age-group. This pool of talented and dedicated youngsters are going to develop from strength to strength. The 14A Team reached the quarter finals of the age-group tournament where they were unfortunately knocked out on penalties after a deadlock at full time. On the domestic front the 14A Team Won 2, Drew 2 and Lost 4.

Our 15 A Team have done well this year with just two domestic losses. They also performed well in the Age-Group Tournament by Winning 2 and Drawing 2 Games. This team continues to go from strength to strength and will impress in the near future.

The 16A Team has also enjoyed a positive season with just 3 domestic losses. This team also reached the semi-final of the Age-Group Tournament before being knocked out by Hilton. It must be noted that both the u15 and u16 age-groups contributed a total of 6 players to the 1st Team during the course of the year.

KZN u14B: Realan Stuart and Warrick Field
Coach: Mr. Keith Evans

KZN u15A: Austin Ibeleme, Callum Thompson and Lwandile Khoza
Coach: Mr. Kingsley Jollands

KZN u15B: Jedin Lee, Amahle Mnyandu and Tapuwa Sibisi

KZN 16A: Banele Nduli

Coach: Preston Jollands

KZN 19A: Joshua Coetzee, Blake Procter and Philani Luthuli

Manager: Mr. Ryan Liberty

Congratulations to the Coaches, Players and Management. We hope to reach new heights in 2020.

Golf at Westville Boys High can be proud of another successful and enjoyable year.

The 1st team won the DnD A League for the 8th year in a row. The 2nd team fared very well in the A league beating many of our rival schools' A teams.

WBHS were also crowned KZN Champions when they won the Kzn Champs at Durban Country Club in July. This is the 7th win of this championship in the previous 10 years.

This year we hosted the prestigious WBHS Sun City Golf Festival. This tournament has grown considerably and this year we attracted 32 of the best golf schools from around South Africa and Zimbabwe and Namibia.

WBHS finished in a respectable 4th position and WBHS B in 14th position.

WBHS can boast about having 3 players in the KZN Schools Teams.

Jack Cubitt, Luke Cubitt and Mitchell Hampson were selected for the KZN U/19A Schools Team.

Janco Vogel and Haidyn Haggie were selected for the Kzn Coastal Regional teams.

Jack Cubitt must be congratulated for his selection for the SA Schools Golf Team.

The WBHS Strokeplay Championships were held at Kloof CC in August.

Mitchell Hampson was the winner of the A Division.

Andrew Bourne won the B Division.

Saurav Ramcharan won the Best Nett prize.

I would like to take this opportunity to thank the coaching staff, Richard Wissing, Ryan Welsh, Duncan Brown, and Marcus Appenah for dedicating their time to the golf programme. We hope to continue this success into 2020.

Westville Boys' High's Hockey program was a huge success this year and we are very proud with the results we achieved. We have steadily improved our plan from year to year and the players and coaches have bought into this wholeheartedly. Our coaching staff this year were outstanding especially considering the massive amount of changes we have had in the last two years.

Our 1st team achieved something special this year remaining unbeaten through the entire season of 20 games, two festivals and the regular seasons fixtures. There were also massive wins against Jeppe, St Johns and Michaelhouse. There were also good wins against rivals Glenwood, Northwood and Kearsney.

Our U16A team had an up and down season, starting so well only losing one in their first 10. They recorded a huge win against a fantastic Jeppe team and narrowly went down with seconds to go against Hilton, who are arguably the best U16 team in the country. This group of boys is improving year on year and we hope they continue to put in the hard work.

Our U14A team had a great season that we can be very proud of. They won their first 8 games in a row, considering they weren't a team filled with KZN U13 players to any extent they were fantastic and grinded out results. They had a bit of a bad run midway through the season but never gave up always just losing by the odd goal after creating more chances than the opposition in most cases. They recorded a fantastic win against a star-studded Kearsney team 2-0 that was the highlight of the season.

Westville Boys' High's Indoor Hockey program was once again a huge success this year and we are very proud with the results we achieved and the titles we won. We have steadily improved our plan from year to year and the players and coaches have enhanced their knowledge to a point it becomes second nature. Our coaching staff this year were outstanding, and all deserve credit for the success we've had this year.

Our 1st team achieved something special this year once again winning their league, making it two in row and their 4th in the last 6 seasons. They went through the season unbeaten, winning 11 out of 11 and scoring 71 goals along the way.

Our U16A side narrowly missed out on winning their 4th title in a row, losing in the final by one goal. They played fantastically this season and deserved more than their second-place finish. They will be looking to get their hands on the trophy again in 2020.

Our U14A team had a great season that we can be very proud of. They started the season slowly and struggled to get the hang of indoor hockey, a game many of them haven't played before. They scraped into the semi-finals and ended up beating DHS in the semi final with a fantastic display. They then went on to beat Northwood in the final and won their second title in 3 years.

Our 2nd team had a very disappointing season narrowly missing out on relegation, but thankfully retained their place in the A Division. Our U16B team had a great season again finishing 5th narrowly missing out on the semi-final places and staying up for yet another year,. Our U14B team had a good season starting very slowly but with a couple important wins, ended 6th and stayed in the A Division.

We have now won 2 out of the 3 available titles 4 years in a row a stat we can be truly proud of.

Having won 5 tournaments in KZN, Westville qualified for Champs of Champs in Bloem to take on the best of the best in 7's in the country. They very nearly made it 6 tournament wins after losing very narrowly in the final to Grey College. They can take a lot out of the experience and their outstanding performances and results in the 7's season will give them a lot of confidence for the 2020 15's season.

This year in the 7's season Westville have achieved the unthinkable by winning 5 tournaments. They were victorious at the Clifton, KZN Top Schools, Glenwood, Maritzburg and DHS tournaments. In fact, so prolific and miserly were Westville that they only lost two games in their domestic 7's season. An incredible feat.

Westville were put forward as the KZN representatives for the Champs of Champs tournament in Bloemfontein on the 18th and 19th of October at Grey College. This tournament consists of the best performing 7's schools in their respective provinces. Westville got off to a very nervy start with a narrow 24-19 win over Volskool Heidelberg on the Friday afternoon. We made really heavy weather of the game and in the end Westville required a last gasp tackle by Mambo Mkhize to save the day. The ref blew the whistle to end the game and Westville breathed a sigh of relief. Game 2 required that we rush immediately after the first game to another field and with just a 20 minute break it was back to action, this time against a highly rated HTS Middelburg. This was to be a much better performance though with two tries by Bayanda Ngubane and a try apiece for Simelela Nkomo and Mambo Mkhize giving Westville a well-deserved and comfortable 28-14 win.

Two from two and the mood in the camp was good. With these two victories Westville had qualified as top of their group and were to progress to the quarter finals to play Framesby the following day. Saturday proved to be a beautiful scorcher of a day. Fitting for some exciting 7's rugby. The boys got off to a great start scoring two quick tries. Framesby were not to allow Westville to have things their own way though and they fought back with tries of their own. In the end two late tries for Westville secured the 24-21 victory. There were some incredible tries scored in this game. One in particular by Mambo Mkhize was superb. He gathered the ball from inside his own 22 metre and ran, swerved and stepped the length of the field to go and score. Other tries were scored by Mlonki Phakathi and two for crowd favourite Larry Nkonki.

Next was the semis and again Westville would be meeting up with the determined and very skilled HTS Middelburg team. It's always dangerous to play against a team for the second time in a competition as they don't need much in the way of motivation after having lost the first encounter. It was to be a tightly contested second affair with Westville just edging it with a 33-28 win. Most important from the win was that Westville had booked their place in the final to play Grey. The final got off to a bad start for Westville after conceding very early. This is a very special Westville team though and they are capable of scoring against any team. Almost immediately they responded with a piece of magic from the ever reliable Larry Nkonki. Grey were to score again to take their total to 14. Yet again Westville responded with another bit of brilliance from Nkonki who ran the length of the field to dot down. They failed to convert and the team's went into half team with Grey 14-10 up. The second half was to consist of both teams throwing everything at the other. Grey scored again to take the score to 19 before yes, yet again Westville responded with a try which started from deep in their 22 metre. Simelela Nkomo broke and raced 60 metres before offloading to Londani Mpungose to race away and score. The conversion was knocked over and the score was 19-17 to Grey with 2 minutes to go. At the death a Westville player seemed to have made an important and potentially game winning steal. The referee deemed it to not be the case though and awarded a penalty to Grey. From the resulting penalty Grey scored and converted. The ref blew the whistle and the game was over 26-17. Westville had lost the game but had won the hearts and respect of many.

Westville can take a lot out of the tournament and to now be in a position where they can stand toe to toe with the best in the country is really exciting and praiseworthy. Another positive was Mambo Mkhize being awarded the player of the tournament award. The boys did their school and community proud. This is the beginning of big things for them.

The 2019 Westville rugby season will be remembered fondly as a successful one especially considering the challenging season of 2018. The maiden victory against Affies away at Affies deserves specific mention though as the highlight of the season. There is also much to look forward to in 2020 as many of the boys will return as matriculants.

The season began with a tough away fixture to Glenwood. Although the boys fought valiantly the game possibly came too early in the season and resulted in a 7-22 loss. This result could very easily have gone the other way with more games under the belt. Next up was the Glenwood festival and games vs Montana 31-10, Wesvalia 38-22 and Piet Potgieter 19-12, all resulted in comfortable victories.

A game away at DHS was to follow. All who were present at that game can attest to the frustrations of the narrow loss. A game where Westville seemed to give DHS the victory after a convincing start. We seemed to shut down in the second half and make silly mistakes which proved to be very costly. The final whistle sounded and Westville had lost a game they looked like they could never lose, final score was 26-27 to DHS.

The first home game of the season had finally arrived and it would be with us playing host to our rivals from Jeppe town in Johannesburg. This was to be one of the most balanced performances of the season against a very accomplished Jeppe team. With minutes to go in the game a great try by Simelela Nkomo sealed the victory 27-17.

It was now time to put a pause to our domestic season. The boys attended the King Edward the Seventh School festival for a second consecutive year. First up at the fest was Nico Malan from the Eastern Cape. The boys played some beautiful running rugby to get the tour off to a wonderful and winning start. If the game against Nico Malan was to be deemed as exhibition rugby, then the second game vs Queens College was a real treat. The boys were at their ruthless and uncompromising best to really put Queens to the sword and beat them convincingly. The third game was a highly anticipated game against the hosts KES but major flooding prevented the game from happening. This was a sad way to end the tour as we really looked forward to playing KES but we felt happy with the progress we had made on this tour winning 2 from 2.

Our first game back at home was against Michaelhouse away. It felt like a case of 2 steps forward, 1 step back as we went down 20-31 very disappointingly to a very determined but limited Michaelhouse side. Complacency seemed to have set in and we just never seemed at the races that day with a very flat performance.

Another narrow loss was to come. This time against a very good Northwood side at Northwood. This was yet another game that could have gone either way. The scoreboard read 15-17 at the final whistle.

The following week away at Affies the boys bounced back and wrote their names in the history books with a maiden victory over Affies. The most impressive thing about the win was that Westville had trailed 31-7 with 20 minutes to go and ended up winning the game 35-31. One of the greatest ever comebacks in schoolboy rugby.

Then it was back to our home field of Bowden's for only the second time of this season. The foe this time around was to be Hilton College. This was to be another game that left us feeling disappointed. Not because of the loss but because of the lost opportunities. Despite really dominating possession and territory that day, we just lacked the killer instinct to take the game. We lost 22-25.

With two games remaining we headed for the hallowed Goldstones field of Maritzburg College. We ended up on the right side of the score board, 28-26 after a very tough game where both teams gave as good as they got. The last couple minutes were very nervy ones for the Westville boys and Westville supporters but the defiant defense held out to deny Maritzburg College from beaching and getting the win.

Old Boys' day was finally upon us. This is always a day the School embraces and looks forward to. There is no need to even motivate the boys on Old Boys' day. This year it was against Kearsney College. The boys ended the rugby season off in style and brought smiles and joy to the old boys with some of their trademark running rugby winning 34-12. This was the perfect way to end the season.

All in all, the season consisted of some incredible highs but there were possibly more lows than we would have liked. Especially considering all the potential of the team of 2019. At times this season this team was truly impossible to play against when we were in our stride. 2019 was a fantastic season though and the class of 2019 will be remembered as one who played some very daring attacking rugby with a very solid defensive heartbeat.

The 2019 softball season started off with an exciting first round of fixtures, U16A went up against Glenwood and the 1st took on Hillcrest. U16A has an incredible season going undefeated and winning the league.

The u16B team were promoted to the A division in 2019 and finished a respectable 3rd in the league behind Glenwood. The 1st team lost 2 games this season against Glenwood and Northwood 1sts. However in true Westville fashion the Westville Griffins fought back and were able to make the league final, beating Glenwood in the playoffs to unfortunately lose to Northwood in the final 11 4, finishing 2nd in the league for 2019.

Taine Scott was named best u16 Batter in the final and 1st team Captain Connor Griffiths was named MVP (Most valuable Player) for the u19A final.

2019 was a strong softball year for WBHS, with many KZN selections and SA Selections. 2020 looks to be a good year as we have a strong u16 team moving up as well as strong stayers for the 1st team and u16. I would like to make special mention of Troy Steyn who's commitment and resilience with the 2nd team was of a trojan effort.

Mr Brendan Brooks for running an incredible pitching program across the board for the school as well as reminding boys the purpose of the game is to have fun.

Mr Dylan O'Brien for turning a good u16A team into an undefeated Championship team, your knowledge and expertise in both the u16 and 1st team set up was greatly appreciated.

Westville Boys had 18 KZN Reps and 3 KZN Coaches.

U15: Nathan Chetty, Cameron Cowdrey, Jared Finlay, Nathan Ngugi, Caleb Wadsworth, Ayush Panday, Trent Allen, Hunter van Tricht, Sagel Rajkumar, Mr Dylan O'Brien (U15B Boys KZN Coach) Mr Brendan Brooks (u15A Girls KZN Coach)

U17: Troy Botha, Ethan Shirley, Joel Wadsworth, Taine Scott, Kian Granham, Craig Reid, Mr Warren Hitchings (u17A Boys KZN Coach).

U19: Chad Stuart, Keenan Dandridge, Colby rogers

Westville Boys SA Reps:

U18: Troy Botha

U19: Francois Fourie (non-travelling reserve)

Head Coach: Charmaine Baker

We would like to congratulate our Squash Players on yet another successful Squash session, as well as upholding the values we expect from our boys' on and off the courts.

WBHS maintain being the strongest squash school in KZN and Midlands alongside Maritzburg College whom we beat in our away school fixture 5-3 earlier this year. Unfortunately, at KZN top schools' tournament we lost and came 2nd to them after not being able to court our strongest team through last minute illness, this took them through to SA Top Schools.

Our Super 8 league fixture results are as follows:

Vs College 5-3 Win

Vs Michael House 5-3 Win

Vs Glenwood 7-1 Win

Vs Kearsney 7-1 Win

Vs St Charles 7-1 win

Played 5 Won 5 - 100% Win ratio

2nd term school's league

This year we entered four teams into the school's league. Two teams competed in the 1st division, one in the 2nd division and one in the 3rd division. One of our 1st teams went on to finish top of the league in the 1st division as well as our 2nd side finishing at the top of their division.

Played 5 Won 5 - 100% Win ratio

KZN REPS

8 of our boys entered the KZN trials and all 8 represented KZN in the interprovincial tournaments held all over the country simultaneously.

The boys are as follows:

Robert Moody u19A

Luke Clark u19B

Tristan Abbott u19B

Michael Archibald u19B

Vaishanth Chami u16A

Shrivar Singh u16B

Ryan Badham u16B

Nashveer Naidoo U14A

Rob Moody was ranked no 2 u19 KZN and Vaishanth ranked no 1 u16 KZN.

SA Closed tournament

Three boys qualified and where invited to enter the SA closed tournament in Johannesburg. Vaishanth being one of them, finished ranked 10th in the u16 age group.

Other notable squash commitments

WBHS's Squash strength sees Robert Moody playing KZN men's first division league, an achievement we are proud of. Luke Clark, Vaishanth Chami, Priyal Vanmari and Tristan Abbott have been invited to play in the KZN men's top league as well.

Term: Second **Team:** 1st ; 2nd & 3rd teams

Other schools: Most High schools in the greater Durban area are represented. Schools that offer the main competition are Northwood, Clifton, Glenwood, Crawford North Coast and La Lucia, Marist Brothers and Ashton College from Ballito

Time and Location: Dairy beach, Durban on a Friday afternoon from 3 to 5 p.m.

The KZN Schools surfing league competitions are run on a tag team format. Each team consists of 5 surfers and they have 50 minutes to complete the surfing of the entire team. Each surfer paddles out and catches 2 waves and these scores are added together to achieve a team total. A panel of 3 judges score the waves on a scale 1 – 10 and points are deducted for the team not completing the required amount of waves in the allotted time. Things get really exciting, especially toward the end when time is running short. There is a lot of shouting and indicating from the team on the beach to the remaining surfer in the water.

It all started off with 2 sets of trials and a practice session in March during the 1st term to select teams and introduce young surfers to the competitive format. The KZN Schools Surfing League started on the 12th April. All the teams had an opportunity to surf against one another during the term culminating in the final events that took place on Friday 7th June for the individual competition held at Dairy Beach and the team finals were held at The Ballito Pro Junior in Ballito on the 28th of June. For most part the weather was great but the surf was very small and as a result our bigger Westville surfers were slightly more challenged in the small conditions. A few of the contests had to be moved further north to the beach in front of the Bike n Bean where conditions offered bigger waves. One event had to be rescheduled and another had to be cancelled completely because of pollution in the harbour and strike action that took place in the city.

Westville 1st team: Daniel Trevethan (Captain), David MacDonald, Caden Coetzee, Caleb Daly and James Lamusse. Nick Harrison surfed 3 of the contests in place of injuries and illness. The team surfed consistently and earned their place straight into the finals bypassing the semi-finals.

Westville 2nd team: Nicolas Harrison, Trent Lilford, Taine Philp, Nathan Trevethan and Trent Hardie. This team was the Matric team and had a lot of fun but failed to impress very much in the competitions. Of all the teams it was very rewarding seeing the young men in this team supporting each other and creating a positive spirit.

Westville 3rd team: Jarod Pretorius, Ethan Pretorius, Josh Burnett, Matt Laudenberg, Drew Dorfling and Leith Hair. The team was very good and competed well and beat our 2nd team on one occasion. Unfortunately they did not manage a finals place but as most still have a few years left at school, will prove to be our 1st team members in the years to come. There were some difficulties with getting them to every event as many injuries during the season depleted this team quite severely, but they still impressed.

Added to the team events this year was an individual category for the best surfer at the KZN Schools. Based on performance during the tag team contests 20 surfers were selected to compete for the individual title of the KZN Schools surfing league. Westville had 4 surfers invited in David MacDonald, Caden Coetzee, Caleb Daley and Daniel Trevethan. Caleb Daley and Caden Coetzee made it to their respective quarter finals but were unable to progress any further.

Due to the team finals being held at the Ballito Pro Junior during the June holidays, too many of our surfers were unable to make it to the event for us to field one team, but our first team was placed in 3rd place after all the events leading up to the finals, and we had a straight shot into the finals, bypassing the semi finals. If the event is held at the Ballito Pro again next year a more concerted effort will be made to ensure the boys are available during their holidays.

On the positive side we seems to have a growing number of strong young surfers that can help keep the teams competitive in the coming few years, The sport of surfing has fantastic popularity in Westville and where our boys may not always be the best in the water, they love to be offered this opportunity to develop in a sport that will be an important recreation the rest of their lives.

Westville continued to dominate relay swimming in both KZN and Gauteng boys' high schools in 2019 and have not lost a gala anywhere in those areas since March 2007 and have now gone 81 galas without defeat.

The season always begins with the School Champs gala where the top swimmers can show off their talents and try break school records that may have been set by WBHS boys who went on the swim at the Olympics.

The first record to fall was Ian Brijlals 2018 u15 Free record which broken by Luca Holtzhausen. Luca went on to break another of Brijlals records in the breaststroke, the 2011 backstroke record, the 2014 Fly record and finally the 100 medley record to give him a tally of 5 golds and 5 records. Matthew Bosch broke the 2013 100m IM u19 record to round off an evening of very competitive swimming .

The WBHS gala, now named the Nestor Pierides Gala was once again hosted at the Westville aquatics centre in the awesome balmy weather that Durban is famous for in summer. Grey College were once again very strong in all their age groups and never finished out of the top 3 while St. David's and St Benedict's had a very balanced all round teams who competed fiercely against each other and both pushed Westville in every race.

Westville started very well by winning 4 of the freestyle events with the u15 team (Pillay , Wessels Holtzhausen,Tarr) keeping the record and the u19 team (Irvine,Bosch , MacDonald,Rayment) breaking a WBHS 2013 record in the 4 x 100m Freestyle relay. The breaststroke is traditionally not the strongest event for WBHS but this year , we won all but the u19s who got touched into second place by Grey College. The u15 team (Gauch , Wessels, Holtzhausen, Tarr) sneaked under the WBHS 2018 record and the u17 team (Duckham , Smith Mayer,Grobler) also swam well to better the 2011 WBHS record by 0.08s . The backstroke is always a nervous time for coaches as teams can commit many errors to be disqualified but the WBHS team did not disappoint and won all 5 events. The u15 team (Holtzhausen, Pillay, Els, Gauche) broke the WBHS 2011 record and the u19 team (Rayment ,Burgess ,Irvine ,MacDonald)kept the ball rolling breaking the 10 year old WBHS record by 0.8s.Westville are traditionally favourites in the fly and did not disappoint with all the age groups winning and the u19 team (Irvine, Burgess, Bosch, Rayment) breaking the 2013 WBHS record.

The medleys are always interesting as a school only needs one good swimmer per stroke and some very good times were posted but WBHS were too good on the evening and won all 5 races with the u15 team (Tarr, Holtzhausen, Pillay, Els) breaking the 2018 record by more than 2 seconds .The u17s (Duckham,Grobler,Beukes,Mayer) broke the 2011 WBHS record and the u19s (MacDonald,Bosch ,Rayment,Irvine) smashed the 2018 record by more than 3 seconds . The ladder freestyle is the ultimate event of the evening as a school needs only one good swimmer per age group and anyone can win. The record was set last year after standing for 19 years and yet was broken again this year by (Cartwright , Holtzhausen , Parry , Mayer and Bosch to put another notch on the trophy.

Alan Burt Invitational Gala

The 53rd running of this gala was hosted by Glenwood at Crawford La Lucia as Kings Park was out of commission again. The gala was first swum in 1966 by Parktown, DHS, Maritzburg College and KES and has grown to a 10 school gala with five schools from KZN and five from north of the Vaal river. The gala has been won by KES and DHS fourteen times each and by Maritzburg College, nine times. Newcomers to the gala, Westville have won 11 times in a row and Glenwood have won once in the 52-year history.Westville were unmatched in this gala and did not lose a race but an enjoyable days racing was had by all.WBHS claimed their 12th consecutive win in this traditional gala and were presented with the trophy by Alan Burt

The Government Schools Gala was a new gala on the programme this year and was hosted at PMB College. All the State schools sent two teams for a competitive afternoon of swimming .

WBHS were too strong with the swim team winning every race and the B team made up of water polo boys and a few volunteers managed a very creditable second place .

The Durban and Districts (DnD) gala is part of a large group of galas under the DnD banner. Primary schools in 3 divisions, girl's high schools, co-ed high schools and boy's high schools all compete for the DnD trophies on offer. The original boy's high school trophy was part of a series of individual galas used to select the KZN Schools swimming teams but in the late 70s, the DnD format changed to relays only and the present format has prevailed. The headmasters of the schools have decided to change the qualification criteria from the usual promotion relegation for teams and B teams were not allowed to compete against the A teams again. WBHS won every U19, U15, U16 and U17 race with two new records being broken in the U15 age group. WBHS now holds every record on the D&D swimming programme.

This is no mean feat, as the gala has been for going for nearly 60 years and to break a record nowadays means that a team must be faster than previous teams that were composed of swimmers, some of whom went on to become Olympians.

Official results:

SWIMMING - D&D GALA 1) WBHS - 155 2) CLIFTON - 115 3) KEARSNEY - 78 4) GLENWOOD - 71 5) DHS - 63 6) NORTHWOOD- 52

We also continued to reign supreme at Midmar, with many our swimmers, polo boys and many recreational swimmers taking part and some finishing amongst the top men to ensure that we won the Boys' High School title for the 23rd consecutive year.

Congratulations to the WBHS Tennis Players .. they made us proud. It was a very competitive and successful year for all ! Well done to the coaches and players!

League

For the first time ever the depth of the top tennis players within the school is so strong that we fielded 3 teams in the A section of the school league and 1 team in the B Section .. Our A team included our No 1 player Louis vd Westhuizen, Abdul Haafiz Karime, Tauriq Pattel, Kallen Ramiah, Oliver Naude, Daniel Watson, Mesharan Govender and Senthen Reddy. This A team reached the final and narrowly lost to Clifton Durban, the B team came 3rd, the C Team came 5th and our D team ended 5th in the B Section. An amazing achievement!

Tours and Festivals

In January we competed in the St Benedict's High School Festival and finished 3rd .. Selborne JHB won event. During September we attended the Hilton/St Anne's festival and came 3rd behind St. Stithians and St. John's JHB.

ETA/Durban School Teams

In February the following 13 boys were chosen to represent Durban in the ETA Schools' Team Event.

Old boy Keveshan Bhagwandin represented South Africa's U20 Team in the B.R.I.C.S Tournament held in Gauteng in July.

The coaches and players are commended for their dedication towards the code.

We would further like to extend our appreciation to the parents for their ongoing support.

We look forward to improving the standard of volleyball in the 2020 season in both the indoor and the newly formed beach formats.

Westville Boys High water polo has tried to get a sustainable programme running over the last few years and the dedication along with the expert coaching has seen us turn the corner this year. The sport is healthy at the moment with 12 teams practicing during the week. Unfortunately we have grown so big that we are struggling to find fixtures for all teams.

Westville boys participated in a number of tournaments through out the year, the u14 team played at the Ken Short tournament hosted by Jeppe and also played in the Hilton u14 polo festival. While the u15 boys were hosted by Parktown at the Indigo tournament. The u16 boys played in the DHS tournament and the 1st team participated at the Clifton Tournament while the stayer's team were at Northwood. These tournaments are very important as they are national tournaments and it tests the Westville teams against the best in the country. There were some very promising results in the age groups with the u16 team finishing 6th at the DHS tournament.

In the u14 age group the boys have shown great improvement, the u14A team have turned around some big scores against them in the 1st term to being very competitive in term 4 well done to those boys that have put in the hard work and still continue to work hard even though the season is over.

In the u15 age group the A team were severely depleted when most of their starting line-up left the school due to emigration and home schooling. They continued to train hard and finished 6th at Top 10 while the u14s came a very commendable 4th.

The 1st teams' season was great during term 1 with a historic first win over Clifton happening at the end of the season. We were invited to KES as one other team pulled out and did well eventually losing in the plate final. WBHS 1st team beat every KZN school this year which is a phenomenal achievement in this revived sport. The Top 10 was a close affair with the WBHS team failing to win the big matches and losing out by a goal to Hilton to finish in fourth place.

The Highlight of the year was the Clifton Tournament where the 1st team found seem to love the big time of a major competition at home. They won their pool without dropping a game to qualify for the quarters and played the highly rated Hilton team. WBHS were never in trouble and ran out winners by 3 goals. The semi- final was a nail biter with WBHS being up one goal with 10 seconds to go when a great save by Ethan Bush resulted in a penalty for Reddam. The scores were then tied, and a 5-man penalty shootout took place with Bush again making a save while all 5 WBHS boys converted their penalties. Clifton were just too clinical in the first period and some very close misses including a penalty saw the 'WBHS team go into the break 4 – 1 down. The game remained even from that point and WBHS were unable to make up for the poor start, losing 10 – 7 and David MacDonald was named MVP of the tournament.

There have been a few individuals who have stood out this year and represented both their country or province. David MacDonald – SA Schools and SA u20 World Championships in Kuwait
Jordan Mills KZN u19A Ethan Bush KZN u19A Joshua Scully KZN u16A Joshua Parry KZN u16A Blake Holmes KZN u16A Aaron Tarr KZN u15 A
Captain Jordan Mills always led from the front and remained a positive influence no matter how the team were struggling. Both he and David MacDonald played over 100 games for the 1st team which is a great accomplishment.

Thanks to all the parents for all your support and a big thank you to all the coaches that put in all the hard work and long hours.
